Regional Coaches for Regional under 11 Girl and Boy teams for 2010

Eastern Region would like to invite any interested person or persons to apply for the position of Regional Coach for our U11 teams.

The region is looking for suitably experienced and committed persons take on the role of Coach for our U11 girls and our two U11 boys teams. Eastern regions development program is open to all players but we are limited to the number of players we can eventually allow to participate so coaches will need to be involved in not only coaching but also the selection process.

We strongly recommend that you go to our web site and look at the over view of our regional program. This will give you a good idea of what we are trying to achieve. Eastern Region believes that the regional program is there to develop the players and is not results based. The appointment will be for a period of 2 years i.e. U11s this year then U12s next year with the program running from the middle of first term to the end of second term. There are three to four cups to participate in which will involve travel to Launceston and possibly Devonport as well as regular training sessions preferably on a weekend.

Eastern Region have a sound administrative structure that will offer the successful applicant its full support as well as resources but there are also guide lines that have to be adhered to and worked with-in. Eastern Region offer some remuneration for the coaches time and accommodation but it is not huge (position is voluntary). All applications will be treated in the strictest confidence as successful coaches may be required to undertake a police check as well as attending coaching courses and some meetings. If interested could you please go to Eastern Regions web site (www.ERJSA.com) and once you have read the out line there fill out an application and forward it to

dboddy@globalcontract.au.com,

Ph.0419379825

Applications close on 19th March 2010.

Regards Daniel Boddy
Regional Coordinator.
